C. D. Services Tangle Monday At Council Meet

The civilian defense pot of good will boiled over, Monday night, in the council chambers when air raid wardens and auxiliary police entered into a heated argument regarding obligations of both departments during blackouts and dimout patrol duty.

Air raid wardens demanded to know why auxiliary police officers were removed from fire boxes during blackouts, a duty which they maintained was purely an obligation of the auxiliary police to prevent false alarms from occurring during an emergency. An auxiliary police officer jumped to the floor and declared that they had been ordered to forego covering fire boxes to take care of their regular traffic patrol duty.

Harry Melicker, chief air raid warden, forwarded a protest to the council regarding the serious traffic situation that is rapidly taking form in Daly City since the enforcement of dimout rules. Melicker claimed that there were not enough regular police officers on duty after dark on main thoroughfares in the city, aside from a poor turnout of auxiliary officers.

After the argument continued for a few minutes, the city council brought discussion to a halt, advising wardens to present a formal written complaint to the city council regarding regular police officers and to bring the matter of auxiliary officers before the Civilian Defense Council at tonight's general meeting. The meeting, tonight, to be held in the high school auditorium, was expected to iron out many flaws in civilian defense.

"I'm going to do all my speaking with my coat off!" Councilman Eugene Lynch added after advising wardens to file their complaints at the general meeting tonight.

Among other business at Monday's council meeting was the condemnation proceedings against buildings found to be public nuisances. Several cases are pending now, one of a building at 138 Los Olivos avenue on which a motion was made to begin abatement. The action by the council was checked, however, by City Attorney F. E. Hoffman, who manitained that the proper procedure in condemnation proceedings had not been taken by the city. This was also true of other cases, Hoffman added.

Illustrating his point, Hoffman said that the resolution was passed declaring the building a public nuisance, but the city had not posted notices, thus failing to conform with Ordinance 214, concerning condemned buildings.

The motion was withdrawn and Mayor A. J. Gaggero ruled that the cases be laid over for two weeks to allow the city attorney to review them with Arthur J. Bodien, city building inspector.

Another shot was fired at the police department following the reading of the gasoline report. Concensus of opinion of the council was that patrol cars in the department are being used too much in the face of the nation's efforts to conserve rubber and gasoline. Councilman Edmund Cavagnaro pointed to the 1200 gallons consumed by the police department during the month of August as compared to previous reports which showed the number of gallons consumed to be under one thousand.

Councilman Lynch was authorized to introduce a contract to the American Building Maintenance company to handle janitorial duties in the city hall.

Peter Oyhancabal, member of the Daly City Fire department, was granted a leave of absence to enter the service of the United States Navy. He will be re-instated at the close of the war when discharged from the Navy.

Blackout Gym & Pool

Work on blacking out the skylights and windows of the swimming pool and gymnasium at Jefferson Union high school will be completed today to comply with Pacific coast dimout regulations, according to an announcement by high school authorities.

Will Post Automobile Dimout Warnings Here

Enforcement of the dimout law set forth by the army for the Pacific coast will be further perfected through the use of new automobile warning signs, to be posted soon in Daly City, it has been announced by Arthur J. Bodien, dimout enforcement officer.

The new signs, made of a pressed wood composition with a surface treated with reflecting elements for night visibility, will replace the temporary posters which are now seen on highways leading to and from Daly City. Although areas in San Francisco have already been posted for the past week, Daly City is slated to be among the first of the non-metropolitan areas on the coast to be equipped with the new signs. The signs are being supplied by the army and all costs of installation are being borne by the California State Automobile association.

Bodien expressed a hope that these signs, making reading visibility at night better, will aid in both dimming out automobile lights and slowing up night traffic through Daly City.

The signs display this wording: "Military Restricted Light Zone. Dim Out Headlights. By Proclamation of the Commanding General, Western Defense Command and Fourth Army."

Marking the end of the area are other signs saying: "End Headlight Dimout. Turn On Headlights. Watch for Next Warning."

Defense Workers To Meet At Jeff Hi

To give all civilian defense workers a clearer picture of what happens in the control center when their phone calls come in during an emergency in Daly City, a general meeting will be held tonight at Jefferson Union high school auditorium for local defense volunteers. The meeting is scheduled for 7:30 p. m. and all who have registered for civilian defense in this community are asked to attend the meeting.

Arthur J. Bodien, director of the Civilian Defense Council, will preside over tonight's meeting which is expected to offer much practical information of aid to volunteers in discharging duties if enemy bombs should fall in Daly City. R. L. Crane jr., director of training, and Eugene Norton, zone air raid warden, both of whom are certified instructors, trained by the Army, will present additional instruction of value.

Main reason for calling tonight's general meeting, according to Bodien, was to expose the manner in which calls are received and services dispatched by the control room. Motivated by the unorthodox methods used heretofore in drills by volunteers in the field, the Civilian Defense Council hopes to have every volunteer know how to phone in a report so that it can be completely understood and taken care of by the control board officials.

Although the location of the control center is in the basement of the city hall, the board itself will be moved to the auditorium at the high school for tonight's meeting. Crane, who inaugurated the control center idea in the local defense set-up following his ten day army course at Stanford university, will explain what each telephone operator, messenger, service dispatcher, and board worker does when a call is received. He will explain what kind of report is expected from the air raid warden on the scene.

CANVASS FOR METAL

Canvassing every home in Daly City to get scrap metal that is so vitally needed in America for war production will be the next effort of the Salvage for Victory committee, it was announced this week by R. L. Crane jr., local salvage chairman.

Although plans are still tentative, Crane said, Monday, that two city trucks will be used to canvass the residential district and pick up old, discarded scraps of metal to boost Daly City's scrap colelctions. School children are expected to aid in the campaign and all residents were asked to cooperate with the salvage committee.

MILE-LONG PARADE CELEBRATES CIVILIAN DEFENSE DAY ON SUNDAY

Pictured here jamming the bleachers at the high school are a few of the thousands of spectators who saw Sunday's Civilian Defense parade and demonstration. Watch The Record next week for pictures of the parade and a list of CD volunteers who were awarded diplomas.

Organizations, Army Volunteers In Fete

Over one thousand civilian defense volunteers, army troops, and organization members participated in Daly City's 15 block long Civilian Defense Day parade, Sunday. Thrilling martial music and the constant flash of Old Glory in the bright sunlight reminded spectators who lined the streets that the nation was at war. The mammoth event, planned to honor local civilian defense workers, also attested to this community's faith in the United States and its determination to see this country victorious.

Occasion for the ceremonies was the completion of 90 hours of basic training required of all civilian defense volunteers by the Office of Civilian Defense in Washington. The demonstration began with a huge parade from the northern city limits to the athletic field of Jefferson Union high school where a patriotic program was featured.

Acclaimed by the elder citizenry of this community to be "the biggest and best parade ever to wind through Daly City streets," the procession to the high school grounds was highlighted by the United States Army. Company L of the 184th Infantry, commanded by Captain John Palmer, marching in full parade dress, were 200 strong in Daly City, besides a fleet of mechanized units of the type that are now being used on our battlefronts. The units were led by army jeeps, the small units which will be remembered as a symbol of this war. The fleet also included mounted artillery and anti-aircraft guns.

Another military unit present at the high school, Sunday, though not in the parade, was Daly City's own Company B of the State Militia. This group was designated as the guard of honor during the ceremonies.

Besides the honored group of civilian workers, the parade included a large number of other local organizations. Councilman Hugh Smith jr. was credited with making all preparations for the parade.

A tremendous ovation from the crowd in the high school stadium was given Arthur J. Bodien, chairman of the day, as he asked the crowd's permission to send a telegram to "America's greatest man," President Franklin D. Roosevelt. The message told of the volunteers who were awarded their diplomas in Daly City for their training and their support to their country.

Bodien's message continued: "Mr. President, Daly City stands behind you, and prays for your health that you may carry on to a successful conclusion, and preserve our true American policies."

The introduction, Sunday, was followed by Mrs. Loretta Johnson, accompanied by the Daly City Band, leading the crowd in the singing of the Star Spangled Banner. A pledge of allegiance to the flag was next, delivered by Sea Scout Jack Colman of the Boy Scouts of America, Troop No. 149. Reverend Father Adrian McKenna of Our Lady of Perpetual Help church delivered the prayer.

Mayor A. J. Gaggero gave a welcoming address to the crowd, thanking them for their attendance and encouraging them to give complete cooperation to the civilian defense workers of this community. Others who addressed the crowd were Ed McDonald, assistant director of the San Mateo County Defense Council, Captain Palmer, commanding officer of the army marching unit, and E. L. Duffy, Northern California manager of the State Council of Defense. The latter represented Kenneth Hammaker, state director, who was unable to attend.

The parade was led by the California Highway patrol followed by the color bearers, representing the following service organizations: Daly City Post No. 410, American Legion; Daly City Unit No. 410, American Legion Auxiliary; Old Glory Post No. 2044, Veterans of Foreign Wars; Old

"JOIN THE NAVY"

"Never in all history has the call for defenders of freedom been so urgent as at this moment.

"Brave men are needed—stout-hearted men—men who would rather fight to stay free than live to be slaves.

"If that's the way you feel about it, your place right now is with the Navy—your Navy—in America's first line of attack—shoulder to shoulder with the red-blooded men of action who are determined to defeat the Axis, who are not only remembering Pearl Harbor but are doing something about it.

"There's a big job to be done. There's a big opportunity for the men who do it."

Signed:
FRANK KNOX,
Secretary of the Navy.

Colma Residences To Have Numbers

Every home in the Town of Colma will be given a street number for the first time, it was learned, Monday, after the Civilian Defense Council asked the council's approval of numbering all residences in the community as an aid to civilian defense.

Bradford S. Welsh, assistant director of civilian defense in Colma, informed the council at their regular meeting, Monday morning, that the defense agency would number the houses if the city council would approve of the plan. The council responded by granting permission.

Situated over a widespread area, Colma has found no great need for the numbering of residences up to the present time, since the homes there are so far apart. However, Welsh said that the project is being undertaken now because of the requirements in civilian defense.

"It will simplify matters a great deal," Welsh observed, "if these residences are numbered properly on each street. As it is now, air raid wardens will find it difficult to phone in the correct location of an incident in an emergency."

Commenting further on civilian defense, which occupied the attention of the council for most part of the meeting, Welsh informed the council that another scrap metal pickup will be made in Colma tomorrow. Proceeds of the first drive will be used to purchase first aid kits, he added.

Near the close of the meeting the report from the auditor, covering an eighteen month period ending last June, was read by City Clerk E. A. Weisenburger and approved by the council. Likewise the monthly report by City Treasurer Henry Kempf was read and approved.

Rationing Question Answered By OPA

Householders, merchants and others in Daly City, will be given a chance to have their questions about rationing, price control and rent control answered over the air by a panel of OPA experts

This announcement was made today by Raymond Daba, acting chairman of the Local War Price and Rationing Board. A new quiz radio program "OPA Panel Quiz" starts Friday night, August 28th at 6 p. m. over station KQW in San Francisco. According to Mr. Daba, the program will be a frank discussion on current questions submitted to the panel by the public and will give the latest information on home front activities affecting the welfare of everyone.

Mr. Daba pointed out that many persons in this area have shown a real interest in price control and rationing problems. He urged these persons and others to send in questions addressed to Station KQW, San Francisco, and they will be answered over the "OPA Panel Quiz" program.

Lower County Taxes

San Mateo county, with a drop of 17.81 cents in the countywide property tax rate, is one of the 43 California counties which showed decreases in countywide tax rates for 1942-43, California Taxpayers' association stated today, following its analysis of changes in tax rates in counties. Five counties did not change their tax rates, either up or down, and nine showed increases, the association found.

The countywide rate dropped from $1.2335 per $100 of assessed valuation for 1941-42, to $1.0554 for 1942-43, the association stated. Only countywide rates were included in the study. Road district rates, as well as those of city, school district, and other special districts, were not included.

Mail Xmas Packages To Servicemen Early

If Santa Claus is to deliver that Christmas present to your favorite serviceman, you'll have to hurry because the Post Office department has made special arrangements to see that Christmas parcels are delivered on time if they are mailed during the month of October.

This announcement was made by William H. McCarthy, postmaster of the San Francisco division, which includes the Daly City branch. Each parcel should be mailed between October 1 and November 1, and plainly marked "Christmas Parcel." All parcels so mailed will receive special care in delivery before Christmas by the Post Office department.

To conserve shipping space to transport important war materials, Christmas parcels should not exceed the present limits of 11 pounds in weight nor be more than 18 inches in length or 42 inches in length and girth combined.

No perishable matter, intoxicants, or inflammable matter should be included in any of these parcels, according to McCarthy.

He was formerly in the employ of the Daly City Record, and for several years played with the Daly City Band.

Celebrates Her Eighth Birthday

Barbara Jean Schramm celebrated her eighth birthday, last Thursday, by entertaining several friends in her home, 26 Vendome avenue. During the course of the afternoon, games were enjoyed by the youngsters. Refreshments were served from a beautifully decorated table. The color scheme was carried out in red, white and blue, the centerpiece being several American flags.

Flashlight pictures were taken by Barbara Jean's father, Sergeant Otto Schramm.

Those who enjoyed the hospitality of Barbara Jean and her mother, Mrs. Beulah Jorgensen, were: Barbara Hesselein, Shirley Soame, Jane Kennedy, Sandra and Sharon Garaventa, Mrs. Roy Garavanta, Theresa and Bennie Peralta, Mrs. Oscar Peralta, Mary Simmonds, James Crudo jr., Mr. and Mrs. James Crudo, Mrs. Winifred Plath, Mrs. John Perada and O. Schramm and Rose Hansen.

Barbara was the recipient of many beautiful gifts.

Comedy Success At Geary Theater

"Claudia," Rose Franken's enormously successful comedy, produced by John Golden, came into the Geary theatre, San Francisco, for two weeks. After the opening and the unstinted praise of the drama critics, which were all "raves," the attendance necessitated lengthening the run of the play but no further extension will be possible as "Claudia" has other booking commitments and will positively close its engagement (a total in all of eight weeks) at the Geary, San Francisco, with the Saturday matinee and night performances, September 26, and will not be seen in any other northern California city.

Miss Franken fashioned her play from episodes contained in her two Claudia novels: "Claudia" and "Claudia and David." Both in the writing of the books and the play, her principal characters, David and Claudia Naughton, are real people, and the comedy is based on the everyday happenings in the lives of this typical American young married couple; yet they encounter birth, death, financial difficulties, jealousies, misunderstandings, reconciliations, tearful partings. But not one of their adventures is fundamentally different from the kind of experiences with which every person in the world must cope.

The company appearing in "Claudia" in San Francisco is the same as was seen throughout the long run in New York.

John H. Price, director of the Civilian Defense Council in the town of Colma, is pictured above with a portion of the scrap metal collected in a citywide drive to furnish war plants with valuable scrap metal.

Scene of this picture is the city's collection depot at the rear of the town hall. All residents of Colma were urged to bring their scrap metal there. If your scrap is too heavy or bulky to carry, call Delaware 7713, civilian defense headquarters, and the donation will be picked up at your home.

Mrs. Mildred Seiler New PTA President

At the regular business meeting of Crocker P. T. A., Tuesday afternoon, the resignation of President Mrs. Hazel Cassasa was officially accepted. Mrs. Mildred Seiler was elected to fill the vacancy and was installed during the latter part of the meeting. Mrs. Julia V. Jordan officiated.

Mrs. Stella Jensen, president of the Seventeenth district, sent regrets at not being able to attend this meeting and expressed her confidence in Crocker's choice of the new president. Mrs. Seiler has previously served in this capacity, having been president of Crocker during the term of 1939-1940 and also president of Jefferson Union high school P. T. A. during the 1940-1941 term. All chairmanships will remain the same as appointed by Mrs. Cassasa.

An invitation was extended to all mothers, particularly those of the new students, to attend any or all of Crocker's regular business meetings and sewing sessions. All members were reminded of the sewing luncheon that is to be held this noon at the home of Mrs. Lillie Cavagnaro, 428 Irvington street.

"No Rationing" At Lions Picnic

There will be no rationing of food or fun, Sunday, at Memorial park near Pescadero, when the Daly City-Colma Lions club holds its annual picnic, an all day affair that is expected to attract a large number of Lions, their families, and guests.

A delicious menu prepared by Dr. J. C. McGovern, famous barbecue expert of the local Lions club, will be served up to all guests. Barbecue steaks headline Dr. McGovern's menu, while side dishes of beans and salad, prepared by artists of the trade, will also be featured.

In the fun department, a wide variety of amusement is in store for all guests, Secretary R. L. Crane announced, yesterday. Bingo games, softball games, and the many facilities at the park will add to the gaiety of the day.

The caravan starts in Daly City promptly at 9 a. m. from Bill's Garage, 6808 Mission street, for the trek down the Peninsula to the picnic. Crane asked all guests to be on time. Transportation facilities have been arranged so that guests will fill all cars. Only automobiles which are full will make the trip, to conserve rubber on tires.

A clever invitation form was designed and sent to all guests by Crane. Following is the entertainment committee, responsible for seeing that everyone enjoys the day: William Sweeney, Dr. McGovern, Hugh Smith jr., and Dr. W. J. Lantheaume.

Two New First Aid Courses To Start

R. L. Crane announces that two new courses in Standard first aid begin, this week. Mrs. Violet Hauptli will instruct a first aid class, Tuesdays and Fridays from 7 to 9 p. m. at the No. 1 fire house.

Miss Ella Redkey offers a course every Sunday from 2 to 4 p. m. at the No. 1 fire house.

Mrs. Clifton's first aid group will be taken over by Muriel Pabst and will meet in the future on Fridays from 10 a. m. to 12 noon at the General Pershing school.

Telephone Lines Are the Busiest In History

You Can Help Us to Help You

We want you to know that we are meeting the war emergency with everything we have, but in these critical times delays are bound to occur.

In speeding Victory, the telephone lines are busier—far busier than ever before. We cannot plan and build new lines and new switchboards, as we normally would, because copper and other strategic materials have gone to war in planes, tanks, and guns.

Unnecessary and needlessly long telephone calls should be out for "the duration." War calls *must* be given the green light.

Your considerate thoughtfulness in making only the most urgent calls is inspiring to all of us who are earnestly endeavoring to uphold the finest traditions of telephone service. May we also ask you to help us further to help you by being brief on all calls, by calling by number when making long distance calls, and by answering calls promptly.

Thank you.

Local Life Guard Returns To Studies

Robert Seiler, 663 Evergreen avenue, recently returned to his home after having spent the past three months in Los Gatos. He was employed by that town as manager and life guard at the municipal swimming pool. Bob and his corps of assistants were complimented by Mayor Stanley Mills and the Los Gatos town council on the very fine work they did.

This being the first year the pool has not ended in the red, the city fathers voted to keep the pool open another week for four hours in the afternoon to accomodate the prune pickers. As Bob was anxious to get home and resume his studies he left his assistant in charge for the next few days. Bob will return, however, this Sunday, to officially close the pool until next summer.

To Quit Rationing Board

With the announcement, Tuesday, of his resignation from the San Mateo County War Price and Rationing Board, Northern District, John Dell, Daly City member, completed a one hundred per cent shake-up on the board which began a month ago.

Dell, a member of the first rationing board in San Mateo county when it was organized early this year, declared that the work on the board was so great that he could not give the necessary attention to his business. A successor to Dell has not yet been named, it was disclosed by the South San Francisco headquarters, Tuesday.

Following the addition of price control to the duties of the rationing board and the influx of applicants for rationed articles, the board was increased from three to five members. None of the original three, Dell, Ems McClung, or Frank Kline, are now serving on the board. An executive secretary, Mrs. C. F. Day, has been added to the personnel.

New board members are: Raymond Daba, acting chairman; Charles Timpany, Monsignor Egisto Tozzi, Jack Hickey, and Leo Overhaus.

All Daly City applicants for rationed goods must make application at the South San Francisco headquarters, 473 Grande avenue.

Virenos Back From Trip

Mr. and Mrs. Andrew Vireno, 6196 Mission street, recently returned from a nine day motor tour of various points of interest in California. They were accompanied by their son and his wife, Mr. and Mrs. Lawrence Vireno.

Yosemite, Lake Tahoe, Mariposa Big Trees, Virginia and Carson Cities, and Reno were a few of the highlights of the trip. While in Reno and Sacramento the Vireno families visited many friends and relatives.

Once more **Mrs. Elsie Hiller,** 181 Santa Barbara avenue, came home with flying colors for her lovely dahlias.

At the contest held by the Dahlia Society of San Francisco, the first of the month, Mrs. Hiller was presented with six winning ribbons.

This makes 18 ribbons these home grown flowers have won in two months—very nice going!

COME IN and ENJOY the Dim-out!

There is no dim-out of spirit in California homes today. Streets may be darkened, lights screened or shielded—but doorbells jingle and friends and neighbors meet in wholesome, homey recreation.

Let's drop in like an invisible visitor and see what is going on in a neighborhood somewhere in California.

Mrs. Jones is having a cookie bake. It's her turn to have the neighbors in.

At the Smiths' the neighbors are practicing first aid. Mr. Smith, as host, is tied to the piano in a traction splint.

Dr. Brown just reviewed a book on France Today. The discussion is hotter than the coffee being served.

There is an old-fashioned knitting bee at Grandma Potter's. The men are in the kitchen fixing sandwiches.

It is a fine thing—this recreation in the home. Friendships are knitting closer. Nervous tension relaxes. Minds are more alert for the work of tomorrow. It will be work in quickened tempo that will hasten VICTORY.

Is your home ready and looking its best with good light? Replace burned-out or blackened bulbs now. Add a lamp beside a chair or davenport where it is needed.

Cheerful light and wholesome recreation are vital today.

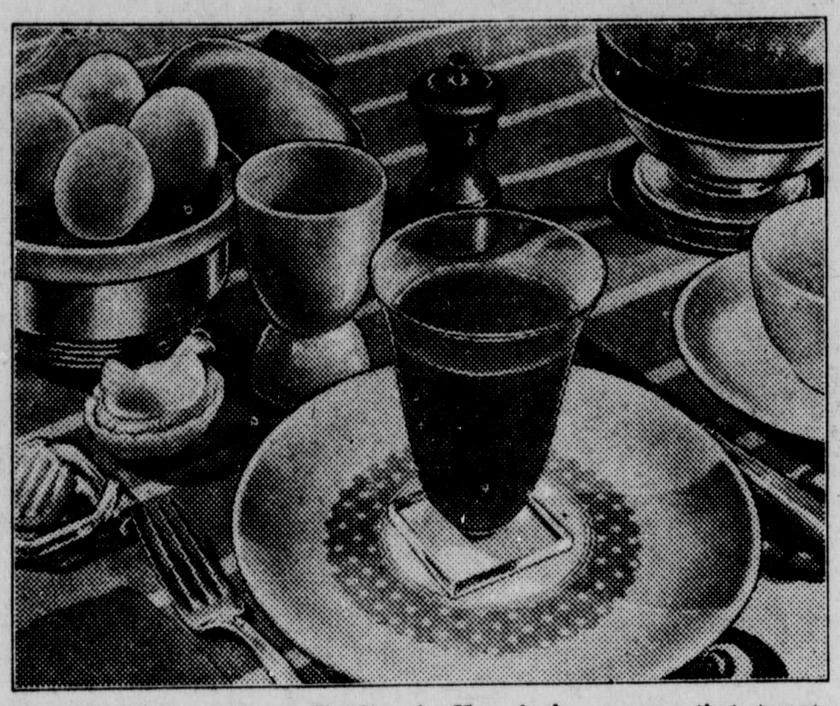
Tomato Juice for Breakfast PROVIDES DAY'S SUPPLY OF VITAMIN C

Dorothy Greig



SLEEPY SUE or Chirpy Charlie—which are you when you get up in the morning?

In either case, a tall glass of fresh, cold tomato juice for breakfast is a glowing start on the day. It wakes up the Sleepy Sues, keeps the Chirpy Charlies chirping.

But all joking aside—we need tomato juice. We need it because it's rich in Vitamin C.

Vitamin C, you know, conditions teeth and blood vessels and helps keep us full of ambition.

This vitamin can't be stored in the body. We take it in, we use it up. Therefore, we must get Vitamin C every day.

Tomato juice is one rich source of Vitamin C. A big glassful of tomato juice for breakfast—and we're all set for the day on Vitamin C. It's as simple as that.

How lucky we are that tomato juice is available to all of us. Right now, too, cans of the season's new pack are filling the grocers' shelves.

It's one juice that's suitable for every meal of the day. For breakfast, we'll probably serve it chilled, just as it pours from the can—or at most with a small wedge of lemon.

For other meals we can get fancier. For instance, at dinner try it this way:

Tomato Juice with Celery

1 can (14 oz.) tomato juice
½ teaspoon salt
1 cup celery
1 tablespoon lemon juice

Grind the celery in the food chopper; then add to the tomato juice and salt. Let chill in the refrigerator for at least one hour. Strain; then add the lemon juice and serve chilled.

ANNOUNCE STOCK DIVIDEND

N. R. Powley, president of The Pacific Telephone and Telegraph company, announced following the meeting of the board of directors, last week, that a dividend of $1.50 per share was declared on the preferred stock payable, October 15, to shareholders of record, September 30, and a dividend of $1.25 per share was declared on the common stock payable September 30, to shareholders of record September 18.

SAFEWAY Homemakers' Guide

★ *Some grand ideas on preparing Fall produce*
★ *Safeway offers low advertised week-end prices*
Tuesday thru Saturday ★ *A lesson on having fun*

A new Safeway policy that saves you time, trouble and money

Safeway ads now run in your daily newspapers early in the week and Safeway's low advertised prices are now effective from Tuesday up to and including Saturday. This means you can get your big order early in the week when there are no crowds and still be able to take advantage of Safeway's low advertised prices.

Here are some wonderful ways to prepare Fall fruits and vegetables

They come from the Safeway Homemakers' Bureau and every one has been tested and proved in the Bureau's kitchens.

APPLES. Want a different kind of applesauce? Pour 3 cups unsweetened sauce into a well greased 1½ qt. casserole. Combine 1 cup finely rolled graham cracker crumbs, ½ cup sugar, ½ tsp. cinnamon, and ¾ cup finely chopped walnut meats. Sprinkle crumb mixture over applesauce. Bake in moderate oven (375° F.) 20 minutes, or until crumb mixture is brown and crisp. Serve hot or cold with whipped or pour cream. Serves 6.

GRAPES. To vary familiar desserts, fold seedless grapes or halves of seeded table grapes into cooled blanc mange, custard, gelatin whip or rice pudding for unexpected crispness.

PEARS. If you like baked apples you'll vote for baked pears, too. Wash 6 pears. Leave whole; do not pare or core. Make syrup by combining 1 cup sugar, ¾ cup water, and 2 tbsps. lemon juice in saucepan; stir well until completely blended; boil rapidly 5 minutes. Or substitute 1¼ cups maple-flavored syrup for sugar syrup. Place pears in baking dish; pour syrup on top; cover dish. Bake in moderate oven (350° F.) until almost tender, about 30 minutes. Remove cover; increase heat to 450° F. and bake 10 minutes longer, basting frequently to glaze. Serve warm or chilled. Serves 6.

SQUASH, PUMPKIN, AND SWEET POTATOES. These vegetables are closely related and each may be used for the same type of recipes—baked, in puddings. pies, cookies, custards, and the like. Squash makes unusually delicious custard. Mix ½ cup firmly packed brown sugar, ⅛ tsp. salt, ⅛ tsp. ground cloves, ⅛ tsp. ginger, ⅛ tsp. nutmeg, and ½ tsp. cinnamon. Beat 2 eggs slightly. Add 1½ cups milk and 1 tsp. grated orange peel; add to sugar-spice mixture, blending well. Add 1 cup sieved steamed Hubbard squash; stir until combined and free from lumps. Pour into individual custard cups; sprinkle with nutmeg or cinnamon. Set in pan of hot water; bake in slow oven (325° F.) 1 hour, or until set. Cool and serve plain or with whipped cream or maple-flavored syrup. Serves 6.

EGGPLANT. Ways to prepare this gourmet's vegetable are many, but shallow-frying is easy and the results are delicious. Wash eggplant, cut in 1-inch slices, and roll at once in well-seasoned flour or corn meal. Fry slowly in hot cooking oil or melted shortening in heavy frying pan, turning until brown. Drain and serve very hot.
